Skate in the Park—February 22, 2026

The Three Rivers FSC will be hosting it's annual competition, "Skate in the Park," on Sunday, February 22, 2026. I want to encourage everyone to participate in this competition and show your club support! I will be sending out registration information soon. Volunteers will also be needed to make this event successful. For more information please see the club website: www.threeriversfsc.org.

Goal Sheets

Yearly goal sheets will be mailed to your house in the packet of information. Please remind your skater to fill out their goal sheet and return it to me. Please look at their goals so you know what they want to accomplish this year. Goal sheets are due to me by January 18th.

Important Dates —————>

Have you been wondering when certain competitions will be held this summer, or when the next test session is, or when the ice shows will be held? Well, look no further then to your right! All the information you need to know is always included in my newsletter and it is updated each month.

Outside Skating on Good Skates

Now that the weather is getting colder and the lakes, ponds, and outdoor rinks are starting to freeze, your skater may be tempted to skate outside with their good skates. **Please do not allow your skater to use their good skates outside, this includes the Maple Grove Outdoor Skating Loop.** No matter how well the ice looks, there could be dirt, rocks, etc., which will make their skate blades vey dull. Instead, buy an inexpensive pair of skates for them to use outdoors or use an old pair of skates.
