What's happening . . . Or not?

Covid-19 is cancelling events left and right, here's what I know is happening with skating events as of right now:

- **TRFSC Holiday Showcase:** On as Planned, with Covid Modifications.
- **Duluth Competition:** Unknown, but I fear it may get cancelled.
- **Skate in the Park:** Should be a go, the club is looking at ways to make it safely work.
- **TRFSC/BP Ice Show:** Unknown, but hoping to have it.
- **MG Ice Show:** Unknown, if held it may not be the usual show due to State rules and regulations. This also means that right now skaters do not have to be signed up for the second fall session to be in the show. Skaters may not need to be signed up until January.

It's Getting Cold Outside . . .

. . .which means it's getting colder inside as well! Please remind your skater to wear multiple layers that they can remove when they warm-up. Multiple layers can include, but are not limited to, skating tights, stretch/yoga pants, a skating dress, t-shirt, long sleeve shirt, fleece sweater, warm-up jacket, gloves, etc. Also remind them that they need to wear gloves. Target now has gloves on sale so if your skater can't find their gloves please get them a new pair.

Skaters also need to have their hair pulled back away from their face and have any fly-a-ways clipped back too. Hair down is unacceptable and is a real distraction, especially when skating backwards or spinning. They may not like to wear their hair up, but as an athlete they need to so they can train without worrying about hair in their eyes.
