Congratulations Marek K!

Marek passed her Senior Free Skate test in November!!

Duluth Competition—Jan. 18-21, 2024

The Duluth competition is a great out-of-town competition for skaters. This competition gives them a chance to compete against different skaters that are not from the Metro area. It is also the competition where many of the Three Rivers FSC members compete and have fun in between events at the hotel near the arena, and the parents have a good time too! If you are interested in having your skater compete at this event please let me know. Forms are out and are due December 10th.

Winter Break

If your skater will be gone over winter break, please send me the dates they will be missing skating. There is still ice throughout much of winter break, except 12/25, 1/1.

Outside Skating on Good Skates

Now that the weather is getting colder and the lakes, ponds, and outdoor rinks are starting to freeze, your skater may be tempted to skate outside with their good skates. *Please do not allow your skater to use their good skates outside, this includes the Maple Grove Outdoor Skating Loop.* No matter how well the ice looks, there could be dirt, rocks, etc., which will make their skate blades very dull. Instead, buy an inexpensive pair of skates for them to use outdoors or use an old pair of skates.
