Great Job!

Skate in the Park

Competitors and Volunteers!!

Your hard work showed on and off the ice!

Ice Shows Practices

Ice Show practices will soon be starting, if you haven't already told me when your skater will be missing their lessons please do so. If I don't hear from you I will assume that they can make all of their lesson times and will charge you for missed lessons. Please email the dates they will be missing lessons with me.

There will be some days that I will not be available for lessons, due to ice show practice conflicts, and I will let you know individually when I will be missing a lesson with your skater.

Spring Break

If your skater will be gone during their spring break please email me the dates that they will be missing lessons. There is regular ice time all throughout March and April and I assume your skater will be at their lessons unless I hear otherwise from you.

Extra Lessons

With all the spring breaks being on different weeks this year I will have openings for lessons throughout March and April. If you would like to add any extra lessons feel free to send me an email and I will let you know what I have available!
