## Summer Skating 2025

My summer forms will be mailed out to your home in the next two weeks. They will be due by the end of April.

Remember that the skating times your skater has right now will not be available starting June 9th. All of the current skating times change due to school being out for the summer.

Check the calendar to the right to see when many summer events will be happening this year! \_\_\_\_\_>>>>

If you have questions or thoughts about summer skating, feel free to run them by me at any time!

## Hard Working Skaters!

March didn't have a lot of events, but it did have a lot of practice days and I am really impressed by how hard all of the skaters are working towards their goals! There are many events coming up in the future, like ice shows, and I can't wait to see everyone shine! Thank you for helping them achieve their goals!
