 ★ Everyone skated great! And also a big thank you to all the
 ★ parents who volunteered their time to help make the ice

TRFSC Contracts—Online Only

The TRFSC Website will be undergoing a re-do, and online membership and contract registration will be added. This means that you will not get a contract in the mail anymore, it will all be done online. The club is hoping to open up summer ice contract registration starting June 1st, so be on the look out for an email from the club explaining how it all works. You will get one last bill mailed to you for the Spring contract, and then no more mailings. **This is the current plan, but may change.**

Specific questions about the website should go to Kelly Bonasera (email: kellyabonasera@gmail.com). I may be able to help, but like entry-eeze, I probably won't be able to see what you see so my ability to help will be limited.

PSA Conference—May 20-27

I will be away at the Professional Skaters Association (PSA) Conference May 20-27, which means I will not be available for regular lesson times this week. There is still contract ice at Brooklyn Park and morning ice time at MG and I expect all of my students to skate, and work hard, even though I am not there. When I return I will have lots of new ideas and exercises to share!
