Albertville, MN 55301  
(763) 497-1719

## Great Job Ice Show Skaters at all of the Ice Shows.

Everyone skated great! And also a big thank you to all the parents who volunteered their time to help make the ice shows a success. Without you the Ice Shows would not have had costumes, props, or be run as smoothly as they were.

**Great Job Everyone!!**

## Sharp Skates: A Skater's Best Friend

Now that the ice shows are over please have your skater's skates sharpened, if they haven't been already. Once they are sharp remind your skater's that they need to wear their hard guards at all times when they are not on the ice, if they want to keep their skate blades sharp and smooth. Rich Walin's number is listed in the "Important Places" corner of this newsletter.

## PSA Conference: May 22-28

I will be away at the Professional Skaters Association (PSA) Conference May 22-28, which means I will not be available for regular lesson times this week. There is still contract ice at Brooklyn Park and morning ice time at MG and I expect all of my students to skate, and work hard, even though I am not there. When I return I will have lots of new ideas and exercises to share!
