Great Job Ice Show Skaters at all of the Ice Shows.

Everyone skated great! And also a big thank you to all the parents who volunteered their time to help make the ice shows a success. Without you the Ice Shows would not have had costumes, props, or be run as smoothly as they were.

Great Job Everyone!!

Sharp Skates: A Skater's Best Friend

Now that the ice shows are over please have your skater's skates sharpened, if they haven't been already. Once they are sharp remind your skater's that they need to wear their hard guards at all times when they are not on the ice, if they want to keep their skate blades sharp and smooth. Rich Walin's number is listed in the "Important Places" corner of this newsletter.

TRFSC Banquet: Now May 28th

Please note that the TRFSC Annual Banquet date has changed to Tuesday, May 28th. This is the yearly event where skaters that passed US Figure Skating tests receive their awards as well as recognizing Graduating Seniors and skaters passing Gold Tests. Registration information should be out soon and will be online through the club website. I'm looking forward to seeing all TRFSC Club member skaters and their families there!
