Summer Skating Begins June 12th!

All BP and morning MG summer skating begins the week of June 12th. BP contracts are due this Saturday(6/3). I still have openings for all classes, on and off-ice, if you would like to add a class to your skater's summer schedule please let me know. Also let me know if you have more dates that your skater will be gone this summer.

Summer Skating Items

1. **Summer Goal Sheets**—were handed out to your skaters last week. Please have your skater(s) fill them out and make sure you look over their goals so you know what they are thinking/planning for the summer.
2. **Spin Contest**—I will once again be running my spin contest this summer. Four times this summer I will test the skaters on how many times they can go around on each of the different spins that they are able to do. At the end of the summer I will award the skaters with the most times around for each different spin and also the most improved on each spin

Dress for Success

Although the temperature is warm outside, it is still cold inside. Please remind your skaters to wear layers so they can take a layer off as they warm-up, or put a layer on as they cool down. Also remind them to come to skating with their hair back and away from their face. Clips, headbands, binders, pre-wrap, etc. are all acceptable to keep hair back, but bobby pins are not!
