Summer Skating Begins June 10th!

All BP and morning MG summer skating begins the week of June 10th. BP contract registration is online right now and due by 6/5. Please let me know if you have more dates that your skater will be gone this summer.

Summer Skating Items

1. **Summer Goal Sheets**—were handed out to your skaters last week. If I didn't see your skater please have them fill out the goal sheet attached to the email. Please have your skater(s) fill them out and make sure you look over their goals so you know what they are thinking/planning for the summer.
2. **Spin Contest**—I will once again be running my spin contest this summer. Four times this summer I will test the skaters on how many times they can go around on each of the different spins that they are able to do. At the end of the summer I will award the skaters with the most times around for each different spin and also the most improved on each spin and most overall improved. There will be a sheet in their notebooks to keep track of their spin progress.

Dress for Success

Although the temperature is warm outside, it is still cold inside. Please remind your skaters to wear layers so they can take a layer off as they warm-up, or put a layer on as they cool down. Also remind them to come to skating with their hair back and away from their face. Clips, headbands, binders, pre-wrap, etc. are all acceptable to keep hair back, but bobby pins are not!
