## Fall Information

My fall information was mailed out on Monday of this week so you should expect to see it in your mailbox soon. Ice times go back to what they were in the Fall-Spring, starting September 4th.

Please let me know if you have any questions or ideas you would like to run past me. If you and your skater would like to schedule a meeting to discuss fall planning also let me know.

## Hard Working Skaters!

July didn't have a lot of events, but it did have a lot of practice days and I am really impressed by how hard all of the skaters are working towards their goals! There are many events coming up in the future, like the competition this upcoming weekend and the test sessions in August, and I can't wait to see everyone shine! Thank you for helping them achieve their goals!

## TRFSC Black Skating Jackets

If you are thinking about buying your skater a black skating jacket, and are TRFSC club members, please wait and order a club jacket! The next order will be open by the beginning of September.
